HEPA filter

Specifications

Design specifications
• Color(s): White (surface)

Weight and dimensions
• Product dimensions (W x D x H): 283 x 25 x 369 mm
• F-box dimensions (W x D x H): 293 x 35 x 412 mm

• Product weight: 0.25 kg
• F-box weight (incl. product): 0.45 kg

Logistic data
• 12NC code: 883 4144 00711
• EAN F-box: 87 1010348606 0
• Country of Origin: Korea

Highlights

Filters out ultrafine particle
* In combination with the multicare filter, the HEPA filter filters out ultrafine particles >20 nanometers including bacteria, dust, allergens and some viruses. According to publications of World Health Organization, the avian influenza, human influenza viruses and Legionella bacterium are larger than 20 nanometers.

HealthyAirProtect Alert & Lock

HealthyAirProtect Alerts warns you timely when you have to replace a new filter. When the filter is not replaced in time, the appliance stops functioning to avoid running with no effect since filter is full. HealthyAirProtect Lock function ensures you healthy air always. It shuts off the purifier when healthy air can no longer be guaranteed. When one of the filters is almost full and has to be cleaned or replaced, the HealthyAirProtect Alert warns you to replace or clean filter. When users do not replace concerned filter, the appliance stops operating and the appliance is locked.
